

# More information

- The walk is led by a walk leader who is trained to look after you. The walk is at your own pace although a brisk pace is recommended for better health for a short part of the walk.
- Routes vary but will normally be 45 minutes to an hour in length.
- If you have any existing medical conditions you should see your doctor in advance for advice.
- On your first walk you should arrive 15 minutes early to fill in a brief Outdoor Health Questionnaire for your own safety.
- All of the walks are on flat paths, however prepare for grass, fallen leaves, uneven surfaces or puddles after rain.
- Please wear comfortable clothing, sturdy shoes and be prepared for the weather. Layers are useful as you may warm up during walking activity.
- Please let us know if you are interested in doing Free Walk Leader training.

## Redruth First Steps Walking Group

# Health Walk

**Every Friday morning 10.30am  
from the Penventon Hotel**

**Free social walking group for those who are taking their first steps to a healthier lifestyle**

# Why Walk?

Not only is walking a great social activity which can make new friends, walking can also improve your health

## It can also improve your

- ◆ Wellbeing
- ◆ Confidence
- ◆ Stamina
- ◆ Energy
- ◆ Weight Control

---

*It's a good way to  
meet people and  
make friends*

---

## It can also help to

- ◆ Make you feel good
- ◆ Reduce stress and help you sleep better
- ◆ Keep your heart 'strong'
- ◆ Reduce blood pressure

---

'Walking is the nearest activity  
to perfect exercise'

Professors Jenny Morris and Adrienne Hardman
